

Flying into YYJ, the Victoria airport, means a 45-60 minute trip to the salon.

The community in which I reside is called Colwood, in the Westshore area of Victoria. There is accomodation available in the Westshore, or you could stay downtown Victoria, which is a lovely city, and commute to the salon. The commute would be 30-40 minutes each direction.

Renting a car at the airport and driving to ferry terminal, taking a ferry and driving to the salon would be 3.5 - 5 hour trip, depending on waits for ferries.
